Lahn experience

See, enjoy, experience - the Lahn in Giessen.

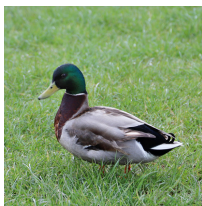

The river Lahn near Giessen - a paradise for nature lovers and active travellers

The 245 kilometre long river Lahn offers many opportunities for activities and relaxing in the water and on the riverside.

The Lahn is also a lifeline and refuge for a lot of animals and plants. In many places, the river has reclaimed its bed and created a unique landscape.

The combination of nature and leisure makes the Lahn the ideal destination for recreation in and around Giessen.

Be inspired and fascinated for your trip to the Lahn-section in Giessen.

Places of interest along the Lahn

Lahnfenster - "Lahn window"

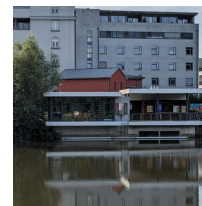

Bootshausstraße 8, 35390 Giessen
0641 3035565

The Lahnfenster is a fish observation station that allows you to look beneath the surface of the Lahn. Display boards in the outdoor area contain further information.

Nature observation centre and Lahn "loops"

Uferweg, 35398 Giessen
50°36'13.6"N 8°40'15.9"E

The river gets the opportunity to regain its natural form. This creates nurseries and retreats for fishes, birds and amphibians. With a bit of luck, rare species such as the kingfisher or the curlew can be observed.

On the water
